⁶ www.supplygov.ie is a procurement platform operated by the LGOPC facilitating Local Authorities and other state agencies in the public procurement of goods, works and services from economic operators.

The Period of Validity will commence on the day the DPS is established - being the first date on which the Contracting Authorities may issue Supplementary Requests for Tender. **Important Note: This is identified as the “DPS Tender Start Time” on www.etenders.gov.ie (hereinafter referred to as “eTenders”).**

- 1.1.5 The Period of Validity will be five years. The LGOPC may, subject to compliance with the Regulations, amend the Period of Validity.

1.2 DYNAMIC PURCHASING SYSTEM (DPS)

- 1.2.1 A Dynamic Purchasing System is a two-stage electronic process that contracting authorities use to streamline the procurement of commonly available goods, works or services that meet their requirements from all suitably qualified Economic Operators that have been admitted.
- 1.2.2 Following the initial establishment of a Dynamic Purchasing System, the system re-opens to receive requests to participate from new and previously unsuccessful Economic Operators.
- 1.2.3 The initial phase of a Dynamic Purchasing System covers the assessment of exclusion grounds and selection criteria only and all Economic Operators that pass this assessment shall be admitted (there is no limit to the number of Economic Operators that may be admitted to a Dynamic Purchasing System). Individual contracts are subsequently awarded, following further competition, at the second stage of the procurement process.

1.3 DIVISION INTO LOTS

- 1.3.1 The DPS will be divided into the following lots:

LOT REFERENCE	DESCRIPTION
Lot 1	Bound and Unbound Aggregate Materials (Supply Only)
Lot 2	Ready-Mix Concrete (Supply Only)

- 1.3.2 A number of Goods subcategories may be procured under each lot. Section 3 of the DPS Agreement contains tables which describe Goods subcategories for each lot which are broadly indicative of the Goods that may be procured by Contracting Authorities at Supplementary Request for Tender Stage.
- 1.3.3 Economic Operators wishing to participate in the lots above must apply for each lot separately.
- 1.3.4 Economic Operators admitted to the DPS for a particular lot may apply to participate in an additional lot at any time.
- 1.3.5 The addition of a new lot to the DPS will require Economic Operators and any existing Economic Operators admitted to the DPS to make a new application for that lot.
