

1. Economic Operator Details

1.1. Notes for Economic Operator

**1.1.1. The Economic Operator must ensure: a) that all information, documentation and declarations submitted with their Application or in response to a Supplementary Request for Tender (sRFT) are correct and; b) that they are in a position to provide the requisite evidence of compliance with the declarations submitted herein within five working days when requested by the LGOPC and/or Contracting Authority. \***

Enter Text

Max 1 characters.

The criterion will be filled by the evaluator.

**1.1.2. Without prejudice to such other legal remedies available to the LGOPC and/or the Contracting Authorities, where an Economic Operator: 1) is found to have furnished false, misleading or incorrect information, documentation or declarations with its application; or 2) is, for whatever reason, unable or unwilling to provide the requisite evidence of compliance with the submitted declarations within five working days when requested by the LGOPC and/or the Contracting Authorities; the LGOPC and/or the Contracting Authority may, at their discretion, exclude the Economic Operator from the Supplementary Request for Tender and/or the DPS. The Economic Operator must answer ALL questions in this form, must type the relevant information in ALL text boxes provided and must upload ALL required documents. \***

Enter Text

Max 1 characters.

The criterion will be filled by the evaluator.

**1.1.3. The Economic Operator must comply with the instructions herein and a failure to do so may result in the application being deemed non-compliant. An Economic Operator that makes an application that is deemed non-compliant shall not be admitted to the DPS. Without prejudice to the foregoing, the LGOPC, at its discretion, may seek clarifications or further information (that does not materially alter an application) (or take such other legally permissible actions with reference to the principles of equal treatment, non-discrimination, transparency, proportionality and mutual recognition) from the Economic Operator via eTenders in respect of an application. \***

Enter Text

Max 1 characters.

The criterion will be filled by the evaluator.

**1.1.4. An Economic Operator admitted to the DPS will be required to operate in compliance with all applicable statutory obligations during the period of validity of the DPS and the LGOPC and/or the Contracting Authorities may seek from the Economic Operator such information and documentary evidence as it deems reasonably necessary to demonstrate such compliance. The LGOPC may terminate a DPS Agreement with an Economic Operator found to be unable to demonstrate compliance with an applicable statutory obligation. Further details in relation to statutory obligations are found within the DPS Agreement and Supplementary Request for Tender Contract published as part of the tender documents. \***

### 3.10. List of Projects Carried Out Over the Past 5 Years

**3.10.1. Note 1 - This DPS requires Economic Operators who are experienced in works relating to the treatment, management and control of regulated Invasive Plant Species (IPS). Where appearing, the term 'regulated Invasive Plant Species' means any Invasive Plant Species that are subject to Irish and/or EU statutory regulation and which shall include, but are not limited to, those on the list on the Third Schedule of the European Communities (Birds and Natural Habitats) Regulations 2011. \***

Enter Text

Max 1 characters.

The criterion will be filled by the evaluator.

**3.10.2. Note 2 - The Economic Operator interested in being assessed for suitability must provide details for three of their projects that are relevant to the services/works under this Agreement; that are of a similar scale, nature and complexity to those described hereunder and that clearly demonstrate that the Economic Operator has previous experience in works relating to the treatment, management and control of regulated invasive plant species projects in the past five (5) years. Each of the three projects must pertain to works relating to the treatment, management and control of regulated invasive plant species only and must have been completed within the past five (5) years. Completed means the carrying out of all necessary services/works to finalise a project similar in nature, scale and complexity to those anticipated to arise under this Lot. \***
